Keep beside your computer

My computer facts

Write the names you recognize. Leave a line blank until you know it. Keep this card near your computer.

Do not write passwords or sign-in codes on this card.

1. **How I recognize this computer**
   For example: silver laptop on my desk

2. **My system**
   For example: Windows 11 or Mac

3. **Browser I use for websites**
   For example: Edge, Safari, Chrome or Firefox

4. **Printer name**
   The name I recognize in the print list

5. **Wi-Fi network name**
   The name of my usual network - not its password

6. **Date I filled in this card**
